

A sample article

1 A section

1.1 First subsection

This is a sample article with accents and some $\int_{\Omega} \omega$ math

A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. This paragraph contains *a line* with *two* emph parts. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph. A paragraph.

Another paragraph. Another paragraph. Another paragraph. Another para-
graph. Another paragraph. Another paragraph. Another paragraph. Another
paragraph. Another paragraph. Another paragraph. Another paragraph. An-
other paragraph. Another paragraph. Another paragraph. Another paragraph.
Another paragraph. Another paragraph.

```
io.stdout.write("some computer code here\n")
```

Another paragraph. Another paragraph. Another paragraph. Another para-
graph. Another paragraph. Another paragraph. A link to xkcd. Another para-
graph. Another paragraph. Another paragraph. Another paragraph. Another
paragraph. Another paragraph. Another paragraph. Another paragraph. An-
other paragraph. Another paragraph. Another paragraph.

1.2 Second subsection

[illegible]

two words	longerword	short
a	b^c	d^{-1}
two words	longerword	short

Bullet list:

- first item
- second item
- third item

Numbered list:

1. first item
2. second item
3. third item

Numbered list with weirdo second item

- (i) first item
- (ii,iv) second item
- (iii) third item

Now there comes a definition:

Definition 1. *This is a definition!*

Before it came a definition.
